

Australia has one of the harshest environments on the planet for human skin. Montaser Cosmeceuticals' have developed highly efficient formulas that are composed of active molecules designed specifically to combat the effects of free radicals. The best that nature and science have to offer.

MONTASER SKIN 2 CELL FACIALS

Consultation and recommendations are included in the timeframe.

Organic Facial \$127 1h 30m

A beautiful organic facial designed for different skin types assisting to treat skins that are in need of a deeper cleanse (without harsh stripping) through to dry, dehydrated skins leaving them feeling hydrated and alive. Heightens normal skin function and ideal for an introduction to more active treatment based facials. A beautiful organic facial treatment for special occasions.

Beautifully Immunized Facial \$147 1h 30m

The next step up for those ready to experience peels or superficial resurfacing treatments. Ideal for first-time users and those with sensitive skins. Exfoliates the surface of the skin, evens out skin tone and texture, brightens and lightens the skin, beautiful preparation for more active ingredients to assist in resisting the effects of ageing.

Intensive Biotech Rejuvenating Facial \$147 1h 30m

A healthy radiant skin is a joy, a wonderful skin rejuvenating treatment particularly targeting wrinkles, lines, problematic acne skin, hyperpigmentation, sun spots and minimises skin tags leaves skin softer and smoother. This facial achieves deep results. Moderate peeling may occur and home care products need to be used 4 weeks prior to prepare the skin for this active treatment.

Organic Spa Essential Facial Treatment \$147 1h 30m

Experience the Spa essential facial, a combination treatment designed to target each individuals skin conditions. Relax and enjoy the organic experience of a nurturing, healing facial promoting wellness in the skin and body.
